The Hughes family has been helping families in the Dallas and surrounding communities for over 65 years. We are family owned and operated, and we thank you for continuing to honor us with the opportunity to serve your family.

While the corporate owned funeral homes have continued to raise their prices, we have intentionally kept ours at an affordable rate. Our level of service, however, usually exceeds what you will get at the higher priced locations.

Don't be misled into thinking that you have to use a high price corporate firm, just because you will be buried in their cemetery. We go to any cemetery, for your convenience.
